Hello, my name is Rosie. I'm a student studying graphic design. I recently got married in June 2022. Along with my new journey of marriage, I also became a cat mom to a shelter baby named Ruby. As I was brainstorming ideas for my submission, I realized I wanted to highlight my relationship with my partner. We may not be overly romantic people, but Valentine's Day holds a special significance for us. In our first year of dating, my partner surprised me with chocolate-covered strawberries, and ever since it has become a tradition that I look forward to every year. It reminds me that love can be found in simple gestures.
