#IAmStitchPeople

Stitch People Day is a day where we come together to celebrate the amazing Stitch People Community and all the joy that it brings! It would not be what it is without YOU and your creativity with the wonderful craft of cross-stitch.

Your beauty in the details of all the floss colors in a family portrait.
 Your friendship in the Stitch People community to help each other grow.
 Your strength (and patience!) to stab a small piece of fabric 1 million times.
 Your heart to share the joy of giving to others!

You are Stitch People! And we love you!

We are so grateful for you!
 One of our favorite things about Stitch People is seeing your portraits grow and change as the years go on. The “I Am Stitch People” Pattern was designed with you in mind. We encourage you to make this pattern yours and have it reflect all that is uniquely you! Change the Colors, Shorten the Hair, Update the Background... embrace all that you are at this moment in time!

Being a Stitch Person joins us together and we hope that as you update your “I am Stitch People” cross-stitch each year on Stitch People Day, you will be able to see your growth and embrace the changes that each year brings and love YOU as much as we do!

We can't wait to see your creations, so be sure to tag [@stitchpeople](https://www.instagram.com/stitchpeople) and use [#IAmStitchPeople](https://www.instagram.com/hashtag/IAmStitchPeople)
