Hi! My name is Debbie Pappas. I am a relatively new stitcher as I picked up the hobby during the pandemic. I love it and wish I had more time to stitch! I am a mom of three boys and a speech pathologist; although, I'm not working out of the home. I am originally from Kansas, lived in Chicago for college/most of my 20s, and Ann Arbor MI for my first home with my husband. My husband works in higher ed and since 2015 we have moved to Okemos MI (part of the greater Lansing MI area), Boise ID, Canton MI

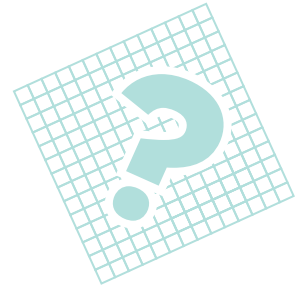

(Detroit suburb), and just moved this summer to Grand Forks, ND. I made a butterfly for my pattern because it is a symbol of change and hope. Change has been a big part of my adult life and this move is a very big change for me! I am hopeful for good things to come. I love blue and purple so I used those colors. It's my first pattern so please forgive any design flaws. I look forward to "meeting" you and stitching your designs!
