Hi! I am Danielle. I've been happily married for 9 years and have 3 daughters ages 6 and twin 3 year olds. I own a home organization company called The Organized Moms. Days are usually jam packed so I stitch when the kids are in bed to unwind. I started stitching when in the hospital on bed rest for 7 weeks with my mono mono twins, more on that in my SP podcast interview. As for the pattern, I have always loved flamingos, I think they are hilarious. Pink is also my favorite color which is good since I'm a girl mom, pink is everywhere! Follow along with my stitches on instagram @daniellelovestostitch or follow @theorganizedmoms for organizing tips.

Stitch with or with out trees.
