I am an RN, retiring in 2020 after 44 yrs in Nursing and almost 50 years in health care. I learned to stitch before the 1st grade. My way to wind down in the evenings or day off was to stitch. Be it machine stitching, crochet or x-stitch. My pattern is "Me". My husband says "only happy when I have sharp needles in my hand" Very blessed to be in such a wonderful community of stitchers!
