My name is Marina Thompson. I am an enthusiast cross stitcher since January 2020, I love designing my own patterns and am so grateful for Stitch People for continuously encouraging the creative part of my brain :) This pattern has been on my mind for a very long time, and today, after 3 full days off from work, I finally picked up my iPad and put it into the world. The Panda is, hands down, my favourite wild animal. Pandas love to munch on tasty snacks, snooze on tree branches, and engage in sibling wrestling and somersaults, just like me! :)
