I love fiber arts but especially cross-stitch, sewing, quilting and knitting. If it's portable that's even better because I love taking projects with me when I travel! I'm married to a wonderful husband and friend for over 25 years. Together we have 6 grown kids and 15 grandkids who are all very much a part of our lives. I have taught several of them how to make many things including teaching my grandson how to knit. I learned most of my crafts in high school back in the 70's. I retired about 3 years ago and have really enjoyed this SAL. I have never submitted any pattern before but this design has

been stuck in my head for days so I figured, "Why not". I have lived in AZ for 43 yrs but grew up in KCK "GO CHIEFS"! I love AZ and all the beautiful colors in the desert. My inspiration for my SAL design is the Giant Saguaro. They are only found in a small part of AZ and are huge. They are also protected by the state. It takes about 100 yrs before they even start to grow an arm so they are very special to Arizona. Of course, I had to include a sunset because they are so breathtaking in the desert. Thank you for putting this SAL together & I hope you like my design!!!
