Hi! I'm Jen. A Ukrainian-Canadian mom of 3 beautiful kids living on the Canadian Prairies. I am trained in medical imaging (X-ray and MRI) but also have a Zoology degree. I love crafting, baking and travelling. I have never sold my cross stitching, but maybe one day I will! Usually my pieces are given as gifts to family, friends and teachers.

My design is inspired by a tie given to me by my family members in Ukraine during a visit back in 1994. Each region of Ukraine has colours, shapes and patterns typical to that

region. My family lives in an area called Ivano- Frankivsk, which is on the western side of the country so the colours and patten seen here reflect what would be typical of that area. I hope you enjoy stitching my pattern as much as I did creating it!
