

COMMUNITY **STITCH-A-LONG**

Whittney White
Luna, New Mexico

I learned to cross-stitch in middle school for a extracurricular club over 20 years ago. I haven't done much since then, but joined the SAL this year after being gifted a bunch of cross-stitch materials from a family member. I am enjoying getting back into cross-stitch and look forward to each week's square. My design is a close up of the feather of a peacock, my favorite animal.
