

# BICYCLE

BY STITCH PEOPLE

HERE ARE A FEW TIPS AND TRICKS:

- CREATE BACK-STITCHES ON THE INSIDE EDGE OF THE WHEELS IN A DIFFERENT COLOR TO CREATE A CUSTOM LOOK
- COMPLETE THE BACK-STITCHED FRAME OF THE BICYCLE USING 3 DIFFERENT COLORS OF FLOSS AT ONCE, IF THE BIKE HAS A CUSTOM PAINT JOB
- USE 3 THREADS FOR THE BIKE FRAME, 4 THREADS FOR THE HANDLEBARS AND PEDAL, 2 THREADS FOR THE GEAR WHEEL, AND 1 THREAD FOR THE INNER WIRES OF THE WHEELS
